Sponsor's Letter Include a letter describing why you sponsor the individual for membership in the ACP. For Pathway 3 applicants, please describe the following aspects of the sponsoree's training:
 1. Personal analysis – duration, frequency
 2. Participation in seminars or independent study of three areas:
 a. Psychoanalytic principles
 b. Child psychoanalytic theory and practice
 c. Child analytic case seminars
 3. Supervision by child analysts of child analytic cases

The ACP is a community of analysts whose work and communication is founded on comparable experiences and education. Our ideal for training is for the most intensive possible experience, that is, analytic treatment of children of all ages and both genders at a frequency of four to five times weekly, regularly supervised by a psychoanalyst. The founders of the ACP developed these standards based on their experience that they learned the most about what would help children from immersion in working intensively with children developing at different stages.

You may use the following tables as guidance for sponsorship of Pathway 3 sponsorees:
